For the Attention of the Company Secretary

Dear Sir,

**The Environmental Protection Act 1990, The Environment Act 1995
The Waste Management Licensing (Fees And Charges) Scheme 2007/2008**

Issue of a New Waste Management Licence

Waste Management Licence Number: EAWML48263

Date of Issue: 30 November 2007

Issued To: Whites of Coventry Limited

For the Site At: Ryton Mill, Ryton on Dunsmore, Coventry CV8 3DX

I refer to your application for a Waste Management Licence, and now enclose your licence.

There is a right of appeal against the decision of the Environment Agency in respect of the conditions of your licence. The contact for such appeals is The Planning Inspectorate, Environment Appeals Team, Room 4/19 Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel No 0117 372 8726, Fax 0117 372 8139).

The annual subsistence charge for this licence will apply from the date of issue, and you will receive an invoice for payment in the near future. I must emphasise that the validity of your licence is dependent upon paying your fees promptly on receipt of the Agency's invoice. Further subsistence invoices will be sent to you in April each year for as long as the licence remains in existence. Failure to pay or a delay in paying may result in revocation of your licence. Continuation of the Waste Management activities under such circumstances would constitute a criminal offence.
